Programs of the Month

Programs of the Month

The earliest history of Mother's Day dates back to the ancient annual spring festival the Greeks dedicated to maternal goddesses. The more recent history of Mother's Day dates back to 1600's England. Today's Mother's Day is celebrated in several countries including Canada, U.S., India, Denmark, Finland, Italy, Turkey, Australia, Mexico, Japan and Belgium. People take the day as an opportunity to pay tribute to their mothers and thank them for all their love and support. *Happy Mother's Day to all!* We have many programs this month to come and get involved in. Louise Lloyd will be here to perform on Tuesday, May 16th at 1:30 p.m. Louise offers a variety of music from different eras. We will be hosting a Volunteer Appreciation Dinner to thank our valuable volunteers. We appreciate their willingness to share their time and talent with our residents. There are too many programs to list but please check your calendar of events and come join us.
