Programs of the Month

It is a New Year and there are many programs and activities planned for the month of January. There will be a shopping trip to Walmart on January 8th. We encourage family members to meet us there if possible. The more volunteers we have, the more residents we can have participate. There will be a special K.F.C. lunch on January 23rd. There is a small fee for this special lunch so please sign-up at the Activity Department if you are interested. There are many musical programs scheduled so please come out and get involved. We encourage groups to get together and play cribbage, cards, checkers, chess etc. We have provided many programs such as bingo, trivia, manicures, sensory, spiritual programs, baking, educational programs and socials. We support independent activities such as reading, word-find, cross-word, quizzes, knitting and other crafts. Please let us know if there is something we can assist you with. Happy New Year to all! Thank you to all that embraced our residents this holiday season. We appreciate your kindness!

REQUEST

Dear: Resident/Family/POA

I would like to make everyone aware of Jamie, the home's maintenance support person. Most of Jamie's time is spent looking after all of the many building needs and following up with support services for the home's systems. It is not uncommon for resident's/family/POA to ask Jamie to provide personal services ranging from adjusting the time on a clock radio to installing a shelf or T.V., etc. The home provides time for the resident's admission for basic support in these items, however once admitted Jamie does not have time to provide personal services for residents as his main duties require his time to look after the building and related regulated requirements. If Jamie is asked to provide maintenance for personal reasons his time will be billed at the rate of \$28.00/hr. at half hour increments. This will include his time to document what was done on behalf of the resident/family/POA.

Thank-you,

Peter Zober, Administrator
