Programs of the Month

February is the month for love and romance to be celebrated. Chocolates, flowers and special gifts will be exchanged. We will be celebrating with a Valentine's Day Party on Monday, February 14th at 1:30 p.m. We have many fun programs to get involved in this month. Some of these programs are a Wine & Cheese Party, Special Popeye Chicken Lunches, Country Kitchen Baked Goods and Preserves and Ice-Cream Social. We have many intellectual activities which include Trivia, Pictionary, Weird Facts, Fact or Fiction, Famous Faces, Name that Tune, Bingo and Reading Groups. Music & Movement is a new fun program that will be held many afternoons at 2:45 p.m. This program is focused on our residents that need more support for exercise. Due to our COVID-19 precautions essential caregivers will not be able to participate in our indoor programs with their loved ones at this time. We thank you for your cooperation in this decision. We will continue to supply new products to support the resident's hobbies and activity programs. We recommend that you participate in Indoor visits, window visits and Facetime/Skype video chatting. (when available) If you would like to schedule a short term social outing, Indoor visits, facetime/skype please call the Activity Department M-F between the hours of 9:00 a.m.-3:00 p.m. at (705) 445-3991 extension#225. Please book ahead of the day you want scheduled. Note: Any short absences needed for medical appointments will be scheduled through the Nursing Department. Please remember to use good hand hygiene and social distancing.
