Programs of the Month

June is always a beautiful month. The weather is warm and breezy as summer begins. The children are finished their school year and they are excited about their summer holiday. We have many programs scheduled for this month and these activities include outdoor time. Please bring in a summer hat and sunglasses for your loved ones so they can enjoy the summer safely. Be sure to get these items labeled. June is also Senior Month and we are honoring our residents with a special party. James Skarnikat will be here June 25th to entertain us with his music and there will be refreshments served. We encourage family and friends to come and join in on these special events. There is also a Planting Program scheduled at the beginning of June so plan to come and help us make our gardens beautiful. The Activity Department will have a Chinese Lunch for residents on the 20th. There is a small fee for this special lunch but it is always enjoyed by those that participate. Please note that our next Resident Council Meeting is being held on Tuesday, June 11th at 1:30 p.m. Please plan to attend as this meeting is an opportunity to express yourself and to provide valuable feedback. We also have a small group going shopping to Walmart on the 12th and an outing tour on the 19th. There are many more activities on the calendar so plan to join in.
